For the purposes of this Pricing Supplement, "euro" means the currency introduced at the start of the third stage of European Economic and Monetary Union pursuant to the Treaty.

With effect from the Redenomination Date, notwithstanding any other terms of the Notes:

(i) The Notes shall (unless already so

provided by mandatory provisions of applicable law) be deemed to be redenominated in euro in the denomination of euro 0.01 with a principal amount for each Note equal to the principal amount of that Note in Sterling, converted into euro at the rate for conversion of Sterling into euro established by the Council of the European Union pursuant to the Treaty (including compliance with rounding rules relating to accordance with European Community regulations) provided that, if the Issuer determines that the then market practice in respect of the redenomination into euro of internationally offered securities is different from the provisions specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Noteholders, the stock exchange (if any) on which the Notes may be listed, the Trustee and the Paying Agents of such deemed amendments.

- (ii) If definitive Notes are required to be issued after the Redenomination Date, they shall be issued at the expense of the Issuer in the denominations of euro 0.01 (to the extent of any remaining amounts less than euro 1000), euro 1,000, euro 10,000, euro 100,000 and such other denominations as the Issuer shall determine (with the approval of the Trustee) and notify Noteholders.
- (iii) If definitive notes have been issued prior to the Redenomination Date, all unmatured Coupons denominated in Sterling (whether or not attached to the Notes) will become void with effect from the date on which the Issuer gives а notice (the "Exchange Notice") that replacement euro-denominated Notes and Coupons are available for exchange (provided that such securities are so available) and no payments will be made in respect of them. The payment obligations

contained in any Notes so issued will also become void on that date although those Notes will continue to constitute valid exchange obligations of the Issuer. New eurodenominated Notes and Coupons will be issued in exchange for Sterling Notes and Coupons in such manner as the Issuer may agree with the Trustee and as shall be notified to Noteholders in the Exchange Notice.

- (iv) After the Redenomination Date, all payments in respect of the Notes and Coupons (other than, unless the Redenomination Date is on or after such date as Sterling ceases to be a sub-division of the euro, payments of interest in respect of periods before the commencing Redenomination Date) will be made solely in euro. Such payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or by a euro cheque.
- (v) The amount of interest due in respect of Notes will be calculated by reference to the aggregate principal amount of Notes presented (or, as the case may be, in respect of which Coupons are presented) for payment by the relevant holder and the amount of such payment shall be rounded down to the nearest euro 0.01.

the approval of the Trustee) decide, as may be specified in the notice, to conform them to conventions then applicable to . instruments denominated in euro, (including to enable the Notes to be consolidated with one or more issues of other notes, whether or not originally denominated in Sterling or euro).
